

Client File Management Course

WHAT

This half-day course introduces RCICs to the *Client File Management Regulation* and covers the who, what, when, where, why, and how of client file management. A variety of client file systems are discussed and RCICs are invited to use an organizational system that best meets their business practice needs.

WHO

All RCICs are required to complete the Client File Management course.

WHEN

This course is now offered on specific dates.
